It was at first supposed he was hunting an honest man, but inquiry developed that he was going to the stable to look at Maud W's. little daughter. The young lady horse is a beauty, and Malcolm wants some pretty girl to wish an appropriate name on it.

Just say "bock" at Johnny's. They'll know what you mean. tf

Curing Catarrh is A Simple Method

Go to its Source and the Cure Is Then Accomplished.

Only those who have used S. S. S. for the blood know that catarrh is simply a blood trouble.

Most people, uninstructed in this membranous disease, treat their nose and throat as if catarrh was a local trouble. It is not so. To treat catarrh it is necessary to go into the stomach, the liver, the lungs, the kidneys and all the vital organs of the body. And it is S. S. S. that at once enters the entire blood circulation, all the organs of the body, all the mucous surfaces and becomes a dominant factor for renewed health. It is a simple method when you figure it out. Catarrh is plainly an inflammation of the mucous membranes.

And there is in S. S. S. certain ingredients which cause these mucous surfaces to change or convert their secretions into a substance for easy elimination. A special book on this subject will be mailed to all who write to The Swift Specific Co., 119 Swift Bldg., Atlanta, Ga.

Catarrh is very often the result of some other blood trouble, some germ that gets into the blood and multiplies beyond the control of nature.

S. S. S. is the remedy. Do not accept a substitute for this matchless remedy. Read the circular wrapped around the bottle. It is important.

Fan-Shaped Tree.

Elm trees have been planted in the squares and parks of our city where you may make their acquaintance. They are trees you can learn to recognize at a distance because of their general form or habit of growth. A well-grown tree is broad and rather flat across the top, and for this reason it is called a fan-shaped tree.

OPENING GAME

TAKEN BY OCALA
(Continued from First Page)

on the bleachers and furnished music during the game. The band came down to assist in the minstrel show at the Temple theater last evening.

There was a good attendance at this the opening game of the season and all were well pleased with the showing made by Hunter's aggregation.

Some said "two to one on the University" at the opening, but there was nothing doing at even after the game had progressed a few minutes.

Ocala fans are satisfied that Manager Hunter has gotten together a winner for the 1915 season. Yesterday's performance contained quite a bunch of errors, but practice will pull them out of the kinks.

Two of Ocala's soft drink establishments had their products on the grounds for quenching the thirst of the fans and did a fairly good business.

Dewey's slide home in the fifth was a feature of the game, and the boys say he's got the "hook" down fine.

The Ocala boys showed up fine in their brand new uniforms. They are of the same handsome design as last year's, white, with red lettering and white and red socks.

OCALA SOCIAL AFFAIRS

(Continued from Third Page)

Miss Susie Morris to Wed

An announcement that will occasion sincere and widespread interest will be that of the engagement of Miss Susie Morris of this city to Mr. Henry A. McConn of Tampa. The wedding will be solemnized quietly tomorrow at 12 o'clock at the home of Miss Morris' parents, Mr. and Mrs. J. A. Morris, Sr., and witnessing the ceremony will be only relatives of the immediate family and a few very close friends. Mr. McConn and his bride will leave on the 1 o'clock train for Tampa, where they will reside.

For nine years Miss Morris has been associated with the telephone exchange and for several years has been the chief operator. She has won for herself an enviable reputation for proficiency and by her attractive, business like personality has made hundreds of friends throughout the county and up and down the wires who will regret to learn that she is to leave Ocala, but will join in wishing her every possible happiness in wedded life.

Business and Pleasure

President D. W. Tompkins of the business men's class of the Methodist Sunday school called a meeting of his "cabinet" at his home on Oklawaha last evening to discuss plans for increasing the usefulness of the organization.

After grave matters of "state" had been discussed for about two hours, Mrs. Tompkins and Miss Irene served the cabinet members with delicious brick ice cream, cake and fudge, which was greatly enjoyed by all.

The business men's class has grown constantly since its organization and its influence for good in the church has been felt from its very conception. While the average attendance at the regular Sunday service is about the same as that of other classes in the church, many of its members are extremely enthusiastic of its possibilities.

The plans suggested at last evening's meeting at the Tompkins home are bound to help along in the good work.

Off for Niagara Falls

Mr. and Mrs. John Dorn and daughter Miss Helen, who have been visiting Messrs. Elmer and Aland DeCamp here for the past two weeks, left this morning in their auto, bound for their home in Niagara Falls, N. Y.

The Dorns have bought a winter home in South Florida and will in future spend their winters here. Mrs. Dorn is a sister of Mr. Elmer DeCamp.

They made the trip south in their car, but will probably ship it from Jacksonville to Baltimore by boat, meeting it there and continuing the balance of the trip home overland. They are very much in love with Florida. Mr. Dorn is a building contractor in Niagara Falls.

Mr. and Mrs. A. J. Brigrance have returned from a visit to friends at McIntosh.

Mrs. J. P. Regisdale of Orlando is the guest of her daughter, Mrs. Walter Marsh, arriving yesterday.

Mrs. H. A. Kramer, Mrs. B. F. Condon, Mrs. F. G. B. Weihe, Mrs. Hattie Webb, Mrs. B. C. Webb and Miss Julia Webb, delegates to the Eastern Star meeting at Daytona, are expected home on the Ocala Northern tomorrow.

Miss Lila Kilbrev, who has been the guest of her brother and sister-in-law, Mr. and Mrs. T. J. Kilbrev, for the past two weeks, left yesterday for her home in Newton, Ala.

Mrs. W. E. Livzey and daughter, Miss Anna, who have been the guests of Mrs. Lena B. Jennings and mother for the past few weeks, will leave Saturday morning for Ocala and other points before returning to their home in New Castle, Ind.—Tavares Herald.

Mrs. G. H. Coyle and daughter, Miss Willakeo, of Wilmington, Del., have been visiting the former's mother, Mrs. W. E. Fosnot at Eastlake, for the past two weeks. She left for home today on the A. C. L., but expects to return in about two months to spend the summer on Lake Weir.

Mrs. Mary Eagleton is enjoying a visit from Mrs. Charles Calvert of Orlando. Mrs. Calvert was before her marriage Miss Mary Bennett, a society belle of Kentucky, residing in Louisville and twenty years ago she visited in Ocala, a guest at the home of Mrs. Eagleton's mother, Mrs. Edward Badger.

Miss Lois Bray has been made chief operator in the telephone exchange. She fills the place formerly held by Miss Susie Morris, who resigned.

Mrs. David R. Connor, who has been in poor health since November, is now in the Marion County Hospital and is resting fairly comfortable today.

The Philatheas of the Methodist church met at the home of Mrs. Ervin on North Main street last night, to pack a box for the Methodist orphanage at Enterprise. After filling a big box with pretty and useful articles for the orphans, the Philatheas had a pleasant social.
